THE MOST WIDELY-READ
FRETTED INSTRUMENT MAGAZINE
IN THE WORLD

"B.M.G." brings to you each month all the latest news of the fretted instrument world: instructive articles by distinguished writers; concert and club notes; biographies and photographs of famous players; details of recently issued fretted instrument gramophone records; correspondence from readers on every kind of fretted instrument topic. In addition to this, every issue of "B.M.G." contains a four page music supplement that is alone worth more than the price of a year's subscription.
